DEL VINO**

The first wine cellar in the world
to house a listed art gallery
Our cellar located in the
Dolomites between l'Adamello
del Brenta and il Monte
Bondone, only 20 km flying
from Riva Del Garda, offers you
unique experiences
Discovering the Dolomites,
extraordinary experiences
enjoying your favorite wine

DISCOVERING THE MOUNTAIN'S SPIRIT

- Trekking: several levels between the valley of the lakes with an expert guide CAI/SAT (company of mountaineers tridentini) and refreshment in the cellar.
- Trail easy/medium/advance with an expert guide.
- We'll start from the winery between the nature trail to discover Bondone's Mount Three Peaks and other mountain trails between the Lakes Valley and Arco, the refreshments in the cellar.
- Trail easy/medium/ advance with mountain biking and an expert guide, two-wheeled experience that winds along the valley of the lakes, the Ledros Valley and the refreshment in the cellar.
- Wine clashes with meditation: yoga classes with teachers in a natural environment, tasting our wine accompanied by thematic finger food, vegan, vegetarian or traditional.

- Only by appointment, change to talk to an expert about detoxification routes.
- Visit the historic city of Arco and its famous botanical garden. Lunch at a haute cuisine restaurant located in Riva del Garda, combined with our wine.
- Wine tasting, high quality food, cocktails with panoramic views.
- Emotional tastings with gourmet chefs: wine and art meeting.
- Kitchen work-shop: you are going to cook with the Chef to learn how to combine food and our wine and to improve how to enhance the flavor and aroma of those.
- Aperitifs and cocktails with special views and visit of the property.
- Guided tour of the Art Gallery with an art critic or straight with the artist, for the correct vision of the paintings.
